BACKGROUND STORY

Kailanno is an accomplished and well-traveled guide and adventurer. He knows the major rivers of Zendikar like the back of his hand. He was a follower of the *Così Cre* and followed the path of *Così the Trickster God*. Unfortunately, with the arrival of the Eldrazi and resulting war for the survival of Zendikar, it was revealed that *Così* was not a God, but one of the Eldrazi Titans; Kozilek. This revelation has caused the bulk of Zendikar's merfolk to abandon their gods, but Kailanno still maintains many of his beliefs and habits, despite no longer believing in *Così* himself. Because of this, he enjoys playing sleight of hand tricks, card tricks and even stealing small baubles and trinkets from the people he's guiding. This has got him in trouble more than once.
