BACKGROUND STORY

Driven out of his clan when he challenged by a younger, stronger Bugbear for the role of pack alpha, he went into exile rather than die fighting for leadership. He wandered for several years, finding for himself before he was captured by slavers and sold into servitude as an enforcer/security guard. He found that he relished his role as it provided a steady means of income and a frequent outlet for his aggression and as little thinking as possible.

PERSONALITY

Driven out of his clan when he challenged by a younger, strong Bugbear for the role of pack alpha, he went into exile rather than die fighting for leadership. He wandered for several years, finding for himself before he was captured by slavers and sold into servitude as an enforcer/secure guard. He found that he relished his role as it provided a steady means of income and a frequent outlet for his aggression and as little thinking as possible.
