BACK STORY

The child of a Water Djinn, Uthriel has spent her life in the shadows of the city. She grew up around the docks, more comfortable on land than on land. She left her home to attend a Sorcery University in the city. Being that far from home, she didn't sit well. It was long, so after a while, she returned home, working on her own. She had made enough to buy her own ship. Rummy is her ship. It runs cargo for her favorite clients, delivering a variety of exotic locales.
