Special Equipment

Chieftan's Fury (Maul +2) - This magical maul requires attunement. Albrecht uses it for work and for, well, working over combatants. Once per rage, Albrecht can slam the hammer into the ground in front of him, sundering the earth in two. Each creature in a 15 foot cube around him must make a Dex save. On a failure, creatures takes 2d8 bludgeoning damage and are knocked prone. On a success, the creature takes half damage and is not knocked prone. Small or tiny creatures automatically fail. If the terrain is breakable, it is destroyed. DC = 8 + Str Modifier + Proficiency.

Combat Tactics

Albrecht has worked to control his anger and will likely only rage if vehemently provoked. After this point, however, better duck and run.

Actions

Chieftan's Fury - (*Maul +2*) *martial, heavy, two-handed* - On a successful hit, Chieftan's Fury deals 2d6+2 bludgeoning damage.

Javelin - *simple, javelin* - Range 30/120. On a successful hit, Albrecht deals 1d6 piercing damage.

Factions

Role: *Master Woodworker*

Petty humans and their politics. I say, kill 'em all. They're all the same.

Mannerisms

Speaks in something of a low growl; Easily distracted; Will forego tasks to complete a puzzle; carries small wooden sliding puzzles he built wherever he goes and uses them to answer to problems he's facing; always pointing out the differences between the races yet can't tell the difference between members of the same race.

Motivations

A paradoxically deeply racist multi-racial individual, Albrecht experiences his greatest joy when human or elven populations are diminished in numbers. He is also highly driven to have a hand in as many building projects in his current town or city so he can brag about his renown.

Passions

Woodworking; puzzles; racism
