BACKGROUND STORY

Orcish raids certainly
aren't limited to Western
Realms. As the orcs
expand their grip on the
land through broad
diasporas above and
below ground, the far-east
has experienced similar
challenges. Plunder,
pillage, bloodshed, and,
unfortunately, rape, are all
among the impacting
factors.

Reed is a product of
these raids. Raised in a
semi-noble house of
militant samurai, Reed's
natural abilities became
apparent to his family and
their samurai masters. He
was a natural fit for their
training and military
crusades.

Over time, Reed's clan
spread far and wide in
their explorations and
claims to various regions.
His soul has become that
of a wanderer. Make no
mistake, however,
because Reed is not a
Ronin. He stands devout in
his devotion to his family
and their military
objectives, acting as a
diplomat, messenger, and
trader of their fine goods.

Often receiving mass
imports from his home, he
busies his days refining
and sophisticating his
market booth and
managing his inventory to
best provide an authentic
experience of his culture.
