Secrets

He is, in fact, the murdered patriarch of the Dumas family, Saul Dumas, returned to a sort of half-life by the family's patron devil to protect Anastasia

Background Story

The Hooded Man is actually the long thought dead patriach of the Dumas Family. Only his former wife Anastasia knows who he is. Saul is only a fraction of the man he once was. He was murdered by backstabbing business partners, an event that sent Anastasia into her downward spiral. But that was all part of the family's patrons plan. In order to protect his investment while she learned to control her newfound powers, the patron returned Anastasia's husband from the dead. Saul returned as a mostly blank slate filled only with lust for revenge and the overwhelming desire to protect his former wife. Even in life, Saul was a hulk of a man, but since his return, infused with the patron's power he has become an absolute beast.
