<p>His massive size, skill and rage served him well in their service and eventually he was given the job of executioner due to his strength and skill with his axe. He wears the executioner's mask as a badge of honor even though it clearly doesn't offer any anonymity. Lately he has begun to question the rule of those in charge. His culture dictates that those with the best skills for the job should be doing the job, and it's starting to become obvious to him that is the case here.</p>
