	<p>BACKGROUND STORY</p> <p><p>Ahshani came from a small but noble house from a distant continent [any with PanAsian historical flare]. He trained from a young age in the way of the samurai and according to his master was destined to be the greatest of his time. As a teen, he fell in love with a local serving girl, much below his station. Forbidden by his house to see her, he continued to sneak out to spend time with her.</p><p>One night while he was clandestinely in his lovers arms, his master was</p>

assassinated and his house was murdered. Blaming himself, Ahshani gathered his armor and his master's blade and left his home, becoming a ronin. Swearing to fight against evil wherever he finds it, all the while searching for the answers to who murdered his family their motivations for doing so.</p>
