BACK
STORY

Warsoc's father was a powerful and brutal warrior. With little regard for the violence of his actions, he abandoned his young son in his youth. Warsoc made his way in the world, finding that he was not as good as he was and he was hated and his heritage, he decided he would start his new home. He came of age and joined the City Watch. He was not very good at his skills, smart, but not really, and he slowly became a watchman. He was an earnest but not very assertive fighter. He's working hard, but he's working hard. He was part of the most of his life. He developed a love for his children's safety. He denied as much as he could. He amassed a small fortune in his small town.
