BACKGROUND STORY

Tanarolf loves his job. He works hard under the premise that he's keeping order and loyally doing his duty to he city and nation. But what he really loves is the feeling of power and control that it gives him and the opportunity to take out his naturally aggressive tendencies on his prison. He is a petty man with a quick temp but he's also a bit of a coward where he's not in charge of the situation. I most bullies, he will quickly back do and turn to self-preservation when presented with an actual threat. He strong and a natural fighter but will rather than fight if he thinks he's outmatched.
