Introduction

You turn to find a small human girl in furs relieving you of your coin purse. /"Wait.... you can see me?/"

I'm very forgettable

Even my family forgot me.

Mannerisms

Hangs her head, almost glum. Glances about suspiciously. Always trying to brush her filthy clothes off to appear 'acceptable'.

Background Story

Reina was cursed as a young child, possibly for something her outlander parents did. She was given the Curse of the Forgotten. This has left Reina to raise and fend for herself from a young age. She longs for friends and connection while doing what she needs to to survive. She longs to return to the barbarian clan that forgot her as a child but lives on city streets as a pick pocket and thief. What Reina doesn't know about herself is a very dangerous secret for everyone.... Reina is The Wraith! Her curse is actually a spell put on her by a spymaster of the assassins guild at the same time that he murdered her tribe and created her split personality. When her skills are needed a simple subliminal phrase brings out the Wraith, the realms deadliest assassin, and Reina never remembers a thing.
