Background Story

Kranker grew up in a clan that were former slaves and currently closely related to the naturally tinkering Rock Gnomes. The Gremlin Clan are different than other goblins because of their relationship with the gnomes. Kranker grew up with an affinity for artifice and creating. Many of his clan's members have been invited to work with the Collegium Imaginata in various capacities, himself included. Kranker has become the trusted personal assistant of Collegium founder Oswald Vardklemp and works closely with him helping to train his son Eugene. In his spare time, he likes to study and advnce his own skills as an artificer
