BACKGROUND STORY

Abandoned as a child and raise orphanages, he had an early pensio for catching and dissecting small animals. As he got older he found o he could do that for a living without people shunning him for it. found a kindly butcher in town and became his apprentice. He took to t trade light lightning and quickly far surpassed the abilities of his mento When it came time for his mentor to retire, Orfthall took over the busines and has excelled. However, as skille as Orfthall is, he's not immune to th fluctuations of the market and has from time to time, passed off lesser meats as better cuts, especially in h sausage.
