BACKGROUND STORY

Corbrin is a decorated military veteran of the feared order of echo knights. He lost his arm quelling and insurrection against the governmen Drow rebels. After losing his arm, h longer felt capable of front-line milit service. He was still a capable fight and knew his weapons and armor w and spent some time training new recruits to the military.
Af that he moved to the City Watch an continued training younger recruits Eventually he decided it was time to retire from service and live quiet an stress-free for the rest of his life. To that end, he took a job working for old friend of his, selling arms and armor from his provisions shop. He knowledgeable and friendly despite appearance and enjoys imparting h knowledge on anyone willing to liste
