# BACKGROUND STORY

Grien has survived and witnessed many wars, local an national, in her 700 odd years. Over this time, she's grown tir of seeking wealth and those w subscribe to such a lifestyle. S also abandoned religion and th Gods around which that institution has been fashioned often jokingly dismissing them nothing other than hallucination of madmen in search of powerOver her many years she has gathered near perfect skills as an herbalist, practicing doctor, and distiller fine salves, ointments, and potions. She is rarely without support and oversight of her three assistants: Yemen, a you half-orc woman ostracized by I tribe who reveres Grien's wisd and abilities; Tsk, an aging Kei who has sworn his life to Grien the healing she provided him when he suffered from a major medical condition; and Miles, warforged veteren of the milit who fled the military of the nearby region and found peace and solace in Grien's teachings and in service to her and her shop.Grien sells medicinal goods, potions, chemicals, and provisions of al sorts.

PERSONALITY
Grien has survived and
witnessed many wars, local an
national, in her 700 odd years.
