Background Story

He long ago left his tribe behind on the Elemental Planes of Air, in order to serve his God's, the Wind Dukes of Aaqa, to restore to them the Rod of Seven Parts to help defend his plane from elemental evil. Oomuk has spent the majority of his life exploring and researching in the furthest corners of the world, trying to find and retreive the pieces of the rod. He has yet been unsuccessful, but has not waivered in his devotion to his mission.
