BACKGROUND STORY

Llewellyn is a very old man even by elf standards. He's spe much of his life travelling arou the realms collecting books an studying lore. As he grew too for the life of an adventurer, h settled in the city and opened store to display and pass on hi huge collection. He is always interested in bringing i new lore and historical volume and can become distracted and talk at lengths about history, I and arcana. To him, knowledge it's own reward. During his travels he has collected a number of magical tombs and scrolls which he keeps under I and key at the shop. A player would have to heavily impress him to sell one of them though and even then, they would be very expensive.
