BACKGROUND STORY

 Hilltop [Village; Town] is a quie halfling town located on a well-used trade route. This has conditioned th population to become diverse in the skillsets and relatively wealthy over compared to other halfling settleme With all the coming and going of people and voluminous exchange of coins, goods, and services, people of get lost. When people get lost and nobody comes looking for you, well, then what do you do? A lecherous a ornery halfling grain and feed merchant from the nearby economicentre of Invasaad [Major City] was traveling through Hilltop with his "b employees", his three young daughters. The girls would heave th sacks of grain and feed on and off t cart or sometimes would be responsible for interacting with immediate buyers. In one transaction the feed had been hauled onto the buyer's cart whilst Stella - the youn of the 3 sisters - was bargaining for first time with a crotchety old woma who couldn't afford to feed her goal "I'll give ya two silver, not more! My husband has passed and 'ad no children. I'm left to me own devices! 'Ave pity on an old lady" Remembering how her fat would deal abusively with her sister whenever they returned with less the expected, Stella continued to bargain. In the meanwhile, her fathe who had grown tired of feeding a th child and who had resigned himself cutting down the weakest buffalo, h carried on in the cart out of town. Stella continued to barter, none the wiser, until the argumentative customer wouldn't budge. She looke back for her father's approval and s no cart, no father, no sisters. Stella ended the barter, panicked. She rac around town thinking that her fathe had other dealings. He was nowhere be found. Young Stella wept in the square.
Eventually that evening a kind elderly halfling wom approached the weeping figure. She comforted her. Told her their were problems Pigger problems t

needed solutions. The kind elderly halfling lady told Stella, "you're from where you choose to be from. You could be Stella of Hilltop". The name stucl and Stella quickly became a surrogathild to the people of Hilltop. Her fanever did return.
