### Introduction

Chloe is that 'bored-looking-guard'. She will specifically make contact with adventurers who are passing through that look like they are willing and capable to stir the pot and cause a bit of 'no no' amongst the population.

## **Appearance**

Rather plain jane appearance - couldn't be picked out of a crowd; Wearing the armor of the local militia acting as watchmen for the city/town; In off hours, Chloe wears bland dresses and tops but pays close attention to her hair and shoes as though compensating for her rather average appearance

#### **Expressions**

"Can't make wine outta olives - some call me an olive, but I know I'm a cherry!"; "Keeping the peace seems foolhardy when its the Kings and Queens that cause the conflicts in the first place"; "I say 'Stick it to em', gold-hungry scoundrels, they are";

### **Mannerisms**

Timid at first glance but courageous in spirit, Chloe will often avoid engaging with others; Order/task oriented - goes from standing still to pointing and gesturing to the next task at hand; Most often found reading through her list of ingredients for her wines and her methods of making them; Sometimes throws a wrench in the gears of watchkeeping

### Motivations

Chloe wants to know as much as possible about fine wines and wine-making; more so than performing her duties for local magistrates. She also seeks to undermine law and order in the town or city where she serves.

# **Passions**

Winemaking; Sommellier; undermining watchkeeping and the power of the masgistrates and royalty
