# BACKGROUND STORY

Raised by an abusive huma adopted father, Hylinn develop numerable psychological complexes. Her self-esteem an normally natural capabilities a elf were largely lost during thi train-wreck of an upbringing. Abandoning her in a marketpla when she was barely into her years certainly didn't help with any of these damages.<p order to survive, she took up t first available opportunity to support herself - a role as boatswain on a questionable s of ne'er-do-wells. Over the cou of a number of voyages, she realized these 'sailors' were second-rate pirates who would plunder minor textile and fabr shipments or something of equally laughable financial gai The crew were, surprisingly, abusive - especially with her her disorders compounded. Fa and drunker, Hylinn returned t land-based civilization as a quarter of half the person she might have been. But not with the Captain of the crew plucki out her right eye as a prize and also a punishment for abandor the ship. Taking up various custodial and service wherever she could in order to survive, or, rather, subsist, Hy focused most of her frustratio into her love for a good drunk fatty foods. Her numerous disorders, perhaps too many t count, helps haughty and selfcentered patrons feel better about themselves and thus dri a decent amount of business t the barstools in the tavern at which she works - "the Dull Dragoon".
