## ROLEPLAYING

#### Introduction

Mamoon will be found near graveyards and crypts preparing to infiltrate them to sacrifice the bodies to her God(dess);

### **Appearance**

Deep, sunken silver eyes. Closely cropped white hair beneath a silver circlet. Lithe for a Duergar and almost sexy, if it weren't for her nearly demonic presence. Wears a necklace of petrified elf fingers.

## **Expressions**

"The forgotten Ones will rise again, by my hand"; "Shall you look into the abyss of the mouth of the Forgotten?"

#### **Mannerisms**

Rubs the tips of her fingers together, almost as though preparing magic. Relatively inactive gesticulation explodes into wild swinging of arms and broad facial expressions, almost as though bipolar or partly possessed.

#### **Motivations**

To bring the pantheon of old Gods back to power. She seeks bodies of the dead to sacrifice to her pantheon.

## **Passions**

Necromantic magicks. Any insect that tunnels. Tunneling. Spelunking.
